Turnkey Curriculums

Many Martial Arts schools do not have the time, resources, or experience to develop a skill-based children's Martial Arts program that generates results. That's where the SKILLZ curriculum can help! We've taken over 15 years of research and development and created age-specific children's Martial Arts programs that are turnkey, which means you can begin operating a dynamic skill-based program in less than a week!

Take a look at the benefits:

- **Universal for all styles!** Simply plug in your basics, self-defense, and forms where necessary. Or, use the ones provided!
- **Turnkey for all of your instructors!** Just follow the class planners!
- **Save time!** No more countless hours trying to "guess" what to teach next!
- **Increased retention!** The 8-skill format contained within each program keeps the students motivated!
- **Solution to instructor burn-out!** Instructors of all ages and ranks will love teaching the program!
