## Bodhidharma Cane

The Bodhidharma Cane is a traditional folk weapon popular with Shaolin practitioners. Bodhidharma, also known as Damo or Tamo in Chinese, is the symbolic founder of kung fu and zen. These Bodhidharma Canes are produced exclusively for Tiger Claw. 42" tall, 6" handle – can be easily trimmed for height.

## Tiger Claw Brand Canemasters Canes

Developed exclusively for Tiger Claw by Grand Master Mark Shuey, Sr.—the Cane Master himself. Made of Golden Wood harvested from the high forests of Asia. This golden-hued wood is light in weight but very strong. Laser etched Tiger Claw and Canemasters logos on shaft. Canes are approx. 36" long; the shaft is 1" to 1-1/8" in diameter. All canes include a rubber tip.

## Instructional

## Executive Cane

This unique cane is set with a realistic pair of piercing blue eyes, set in a face-like handle. Echoing traditional fighting canes which often had animal faces set in the handle, this cane will make a great conversation piece within your collection. Constructed from a single solid piece of the sturdy hickory, a strong hardwood that is perfect for canes.

25-213

## Instructor Cane

Designed with safety in mind, this is the perfect cane for the instructional environment. Both the horn and tip are rounded, with one set of grips just below the crook, which has been opened to allow an easier release when practicing throws and takedowns. Made of light but dense hickory. 25-212

## Dojo Cane

The tip and horn are rounded, and the shortened crook has been "opened" to facilitate safer throws and takedowns while training. 25-211

## Cane Masters: Basic Foundation

The backbone of cane self defense techniques. All the blocks, strikes, punches, twirls, and swings in the Cane Masters system demonstrated both right and left handed. DVD-CM01

## Intermediate Techniques And Drills

Combining the elements shown in "Basic Foundation" this DVD demonstrates easy to follow techniques to ward off attacks by a single opponent. Complete with practice drills for fighting and self-defense with a partner. Approx. 45 min. DVD-CM02

## Advanced Techniques And Takedowns

Featuring the devastating power of the crook. Learn a wide variety of takedowns and control techniques specifically designed for the cane, as well as defensive techniques for use against a variety of weapons. DVD-CM03

## Cane Master Set (DVD-CM01, DVD-CM02 & DVD-CM03) DVD-CM010

## Winning Katas And Techniques

Mark Shuey Sr. shares his advanced techniques and winning katas with you that he used to win 50 first places, 6 Grand Championships, and the World and National Titles in 1998 and 1999! 51 min. DVD-CM04

## Street Techniques

We have combined a variety of blocks and counters introduced in our other instructional videos into a series of techniques designed for self-defense in a true street situation. Learn effective "down and dirty" tactics against a variety of different attacks. DVD-CM05

## Demon Shangfang Bao Jian

尚方寶劍

The unique guard on this sword bears a swooping demon head with a ring through its nose. This symbolizes taming demons, a job tasked only to the most powerful swordsmen. The scabbard throat collar and end cap are adorned with ancient dragon and phoenix motifs. This sword comes with a special-fitted nylon carrying case. **45-54**

## Family Art Sword

鎮宅寶劍

Traditionally this sword is hung in the family room to protect home and hearth from evil. Fearsome dragon-shaped guard and pommel of fine cast brass. Exquisite hand carved dragon and phoenix adorn the scabbard, with a faux temperline blade of combat steel. A Feng Shui must! 2½ lbs. 29" blade. **45S-53**

## Pear Wood Spring and Autumn Sword

梨花木春秋劍

This massive sword would make Conan proud! A whopping 7 lbs. sword with a 31" solid combat steel blade—2½" × ½" at forte!—thick enough to punch through a car door like a hot knife through butter! Awesome Demon-face guard of cast brass with a beautiful pear wood scabbard, this sword is sure to impress every warrior who hefts it! **45S-50**

## Traditional All Brass Kung Fu Sword 龍泉七星劍

This is a premium Kung Fu sword from China's greatest forge, Dragon Well (Lungquan.) It has solid brass fittings in the traditional "gold tael" design, a "twisted" leather-wrapped handle and a brass scabbard adorned with a coiling five-finger dragon, mystic knot and full dragon faces. Perfectly balanced for practice! 2 lbs. 30" blade, 39" overall. Comes in a beautiful embroidery gift box. Truly a collectable item! **45-71KK**

## King Yue Sword 越王劍

Named after a famous warrior of China's Three Kingdoms Period (220-265) this mighty sword was crafted by the famous Dragon Well (Lungquan) forge. It has an exceptional hollow-ground diamond-section blade (2" wide at the forte!) Sharpened, with a slight taper, all of the fittings are solid brass adorned with full dragon faces and mystic knots. 2.8 lbs. 26" blade, 35" overall. Comes in a beautiful embroidery gift box. Truly a collectable item! **45-72CS**

## Dragon Fast Sword 龍驃劍

This monstrous weapon is the Yao Ming of two-handed straight swords. The heavy forged steel blade is a whopping 39". Add in the traditional two-handed sword handle, and this sword is a colossal 54" overall – the biggest Chinese sword in stock! Handcrafted by traditional artisans from China's most venerated Dragon Well forge in Longquan County, Zhejiang Province. Beautiful grain wooden

scabbard. Comes in a fitted embroidered silk presentation box. Weighs over 6 lb. **45-58CS**

## Emperor's Sword 乾隆劍

The Emperor's Sword is named after one of China's most famous rulers, the Dragon Emperor Qianlong (1736-1796 CE). Forged by China's famed sword makers Dragon Well aka (Longquan) the blade has a flattened-diamond cross section of finely tempered steel and the blade is razor sharp; it's lines are spectacularly clean. The fittings are of golden metal, blackened to accentuate dragon motifs. Cord wrapped handle and scabbard. This is a sword of emperors.

Comes in an embroidered presentation box. Weighs (sword alone): 2 lb 11 oz (scabbard alone): 1 lb 4 oz. Blade at forte: 1 3/8" x 3/8" Blade length: 30" Overall sword length: 40". **45-53**

## Wushu Competition Swords

The International Wushu Federation—the governing body for Chinese Martial Arts competition—has established new standards for swords. The Wushu Competition Swords meet those standards. The "top of the line" for competition swords. The hollow-ground blade design strengthens the spine of the blade while keeping the tip flexible. A light, yet sturdy weapon with great balance. Straight swords use a flattened-diamond blade design. Available in multiple sizes for a perfect fit. All swords come with scabbard and a carrying case. Certificate of authenticity included with every sword. Actual lengths may vary slightly from sword to sword because they are handcrafted. All swords are within competition standards.
